

Over the Edge Volunteers Needed!

FOTAFLO:

We need volunteers to take photos of our participants during the most exciting moments of their experience, maximizing the shareability of each photo. The FotaFlo app is available for both iOS and Android, so volunteers can use their own device – no need for any special equipment. Just select the participant's name before taking their photo, and it's automatically delivered to them via email. Training will begin at 9 AM May 17th, and volunteers need to stay until the event is over. Three FotaFlo volunteers are needed - two on the ground and one on top of the roof of Towers South!

Guides:

We need volunteers to walk the participants from registration to staging and then to the roof to get ready for their rappel. Training will begin at 9 AM May 17th, and all volunteers are asked to stay until the event is over. Three Guides are needed.

Ropes:

We need volunteers who are not afraid of heights to be hands-on helpers with the participants rappelling the day of the event. We are told we will need several rope volunteers on the roof and on the ground in the Landing Zone. You will also get the opportunity to rappel without raising funds! Training will occur at 7 AM, May 17th. All Ropes volunteers must stay until the event ends.

Register here: <https://overtheedgeglobal.com/volunteers/#volunteer>

Games:

We need volunteers who enjoy yard games to oversee and bring fun and unique games to our ground party during the event and act as runners if we need assistance in other areas. Training will begin at 9 AM, May 17th, and all volunteers are asked to stay until the event is over.

**If you have any questions or if you would like to volunteer please
