UNITED WE FIGHT.
UNITED WE WIN.

By joining our fight for the health, education, and financial stability of every person in our four-county service area, together we help families in crisis, while creating lasting change. Your gift helps the chronically unemployed find meaningful work; you help return independence and self-esteem to victims of abuse; you help struggling readers become star students; you help salvage broken lives and souls. You have helped us do so much, frequently with very little.

We could not do it without the thousands of donors and volunteers who believe in United Way of Southeast Missouri and guide and support our investment in this community. We may have different dreams and beliefs, but we all want to live in a community where we all have equal opportunity to thrive, where we all can LIVE UNITED. **We could not change lives without YOU. Thank you for caring and giving.**
